

§ 257.2 Time of filing.

During the month of July each year, any party claiming to be entitled to compulsory license royalty fees for secondary transmissions by satellite carriers during the previous calendar year of television broadcast signals to the public for private home viewing shall file a claim to such fees with the Copyright Office. For this purpose, a performing rights society shall not be required to obtain from its members or affiliates separate authorizations, apart from their standard membership affiliate agreements, or to list the name of each of its members or affiliates in the joint claim as required by paragraph (b)(1) of this section.

(3) A general statement of the nature of the copyright owners' works, identification of at least one secondary transmission of one of the copyright owners' works by a satellite carrier establishing a basis for the joint claim, and the identification of the copyright owner of each work so identified.
